ABOUT THE CLUB

The Midstate Miata Club of New York, Inc. is a non-profit organization dedicated to the enjoyment of the Mazda Miata roadster.

Our primary objectives are to provide an opportunity for Mazda Miata owners and enthusiasts to exchange ideas and information, as well as to participate in group events involving the Miata.

Total membership is over 170 cars, and covers areas which include Syracuse, Auburn, Rochester, Utica, Rome, Elmira, Binghamton, the Finger Lakes Region, and all points in between.

Our club schedules several events each month from April through November. These events are selected from ideas

and suggestions presented by the membership during the annual planning meeting which occurs each spring.

Club activities over the years have included wine tours, historic sites, overnight trips, national events, picnics, tech sessions, boat tours, and museums, just to name a few. Lunch, brunch or dinners are always a part of our group events. In addition, club members get together for short drives for ice cream, or coffee stops as another means of enjoyment. Most activities attract between 18 and 30 cars.

Our club newsletter "Miata Meanderings" is published throughout the year and distributed via email. Area Representatives will confirm event participation for planning purposes.
